

**The Center for Economic Education at Western Washington University and the Washington  
Council on Economic Education**

in collaboration with

**the National Council on Economic Education and the IMF Center**  
presents

**Thinking Globally:**

**Effective Lessons for Teaching about the Interdependent World Economy**

A Workshop for High School Teachers

May 15, 2006

3:30 to 8:10 pm

This special workshop will introduce teachers to information about and methods and materials for teaching international economics. Topics covered will include globalization, trade and trade barriers, why some nations are wealthy, exchange rates and the role of international agencies such as the International Monetary Fund. Lesson plans and background materials will be demonstrated and distributed. All teachers attending will receive a complimentary copy of the CD *Thinking Globally: Effective Lessons for Teaching about the Interdependent World Economy*. This CD contains eight classroom-tested lessons for teaching international economics at the high school level.

**COURSE CREDIT:** 4 clock hours will be available for purchase for \$10

**WHERE:** Ingraham High School, 1819 North 135<sup>th</sup> Street, Seattle, 98133.

Directions will sent with your workshop registration confirmation.

**WHEN:** Monday, May 15, 2006 from 3:50 to 8:10 pm. Refreshments and dinner will be served.

**INSTRUCTORS:**

Charles Anholt, Lecturer, Western Washington University. Work Experience with the Peace Corps, U.S. Agency for International Development, the World Bank, and CARE

Donald Marsh, Adjunct faculty member, University of Washington. Work experience with J.P. Morgan, Rainier National Bank, Burlington Northern, and the Aspen Institute

Pam Whalley, President, Washington Council on Economic Education and lecturer at Western Washington University
