中国汉语水平考试

-- 中文爱好者，尤其是高中生和大学生的佳音

中国汉语水平考试（HSK）是为测试第一语言非汉语者的汉语水平而设计的国家级标准化考试。自举办十年以来，在国际上已经取得了很高的声誉。

HSK 已在近 30 个国家和地区建立了 100 多个考点。参加考试的人数已超过 40 万人，每年还在大幅增长。

HSK 目前共有基础、初中等和高等 3 等 11 个级别。由中国国家汉语水平考试委员会颁发的《汉语水平证书》是许多国家承认的有应用效力的汉语能力等级证书。求职、学习者持此证书在国际人力资源市场、教育机构都具有通行性。国外考点成绩优秀者，还可以获得中国国家汉办提供的长、短期到中国留学的奖学金。

继密西根、旧金山、休斯顿和纽约之后，中国国家汉办正式批准西雅图大学（Seattle University）为 HSK 中心，从而在美国西北地区有了唯一的一个考试中心，为本地区考生提供了极大的方便。迄今为止，已有多名考试成绩优异的大、高、中学生及其他社会人员获得了中国政府提供的奖学金，前往北京学习中文。

Seize the time! 机不可失!

The Chinese Proficiency Test, also known as HSK for the Chinese Pinyin “Hanyu Shuiping Kaoshi,” is China’s National standardized test designed to assess the Chinese language proficiency of speakers whose first language is not Chinese. It has been enjoying great international prestige over the last ten years.

There are more than 100 HSK centers in about 30 different nations and regions worldwide. More than 400,000 people have already taken the HSK and the number increases greatly each year.

HSK is divided into three categories (Basic, Elementary-Intermediate and Advanced) with eleven levels. Chinese Proficiency Certificates are issued by the State Committee for the Chinese Proficiency Test and are generally recognized as authentic Chinese proficiency certificates all over the world.

Job seekers and students who have obtained the Chinese Proficiency Certificates are widely accepted on the international human resource markets as well as educational institutions.

The National Office for Teaching Chinese as a Foreign Language also offers scholarship for studying in China on a short-term or long-term basis to foreign candidates with excellent HSK scores or potential. More than ten test takers in the past have received the scholarship.

In 2003, Seattle University was designated by the Chinese National Office for Teaching Chinese as a Foreign Language to be the only HSK Center in the Northwest region in the U.S. Test takers in the region can fully enjoy the convenience of taking this test without traveling far any more.
